SUBJECT: Letter of Appreciation

Dear Esteemed Members of the Milwaukee Police Department,

I would like to take a moment and thank you for all your hard work and dedication, culminating with your outstanding performance during the Milwaukee Bucks Championship Parade.

On July 21, 2021 at 2:39 p.m., We received an EPS alert in regards to requesting mutual aid for the Milwaukee Bucks parade on Thursday, July 22, 2021 at 8:00 a.m. We sent our Officers, including myself. We arrived at the Summerfest Parking lot where we received our assignments. The Police Lieutenant was very accommodating and he assigned us with District 3 and Unit #3 where we were turned over to the Sergeant who was in command of our unit. The Sergeant was very accommodating as well. Our unit set up, took down barricades, and provided security for the parade route. The Sergeant took us to a building for a bathroom and water break as well to cool off and to get off our feet. We then provided security at the Fiserv Forum for the rest of our shift.

The Lieutenant and Sergeant presented a highly professional appearance and displayed amazing communication skills, which allowed the venue to be highly successful, and without any serious incident, even though it was very well attended coming out of Covid and winning an NBA Championship.

We wish to express our gratitude to you and your Department for your dedication to Law Enforcement, and for displaying the highest ethical standards, which are highly valued.

By the way, I had numerous Milwaukee Citizens (I couldn't keep track) come up to me and say, how appreciative they are of the Milwaukee Police Officers. You should be very proud!!! In addition, our Officers told me, "They were fun to work with!" Again, thank you!

With the highest respect and admiration,

Szvon D. Conway  
Chief of Police  
Monticello Police Department
